"Stir It Up" Seminar

Wednesday, Sept. 18 9am-3pm

Leaders need to be continually revived in their spirits and strengthened in their skills. This one-day seminar features interactive equipping and encouragement sessions facilitated by apostolic leaders: Dallas Elder, Pam Brown, and Barry Clair. It's geared to "stir you up" for stronger and more confident Kingdom ministry.

Topics include:

► "Fertile Faith Family" -Dallas Elder

Healthy relationships are the 'glue' for attachment and growth toward your Kingdom purpose. We will discuss the content of the 'soil' which enables believers to grow in grace, faith, and fit in the family.

► "Finding Purpose in God's Rest"-Pam Brown

When we find the place of God's rest, it will release overflow for Kingdom ministry. Learn how you can position yourself in the overflow.

► "A Man You Can Follow: Examining the Humanity of Jesus" -Barry Clair

Often, when we reach out to Jesus to help us, we call on His divine power to intervene on our behalf. We give very little thought to how He walked out the same situation as a man. But in truth, the humanity of Jesus is equally as relevant to us as is His divinity. We cannot relate to Him in His divinity, but we must emulate Him in His humanity.

Equipping Workshops:

SIX MINISTRY ESSENTIALS

► Dallas Elder

This workshop will cover six essentials for building a solid ministry in Christ. Practical insights will be offered for: Defining Ministry Personality; Cultivating a Spiritual Culture; The Discipleship Thread; Leadership Development; Community Connection; and World Impact. Clarifying and implementing these essentials will bolster and balance your ministry model.

TRANSFORMATION & LEADERSHIP ACCORDING TO GOD'S DESIGN

► Michael Sullivant

An amazing thing is emerging in our day. The latest and best brain science is confirming biblical values and worldview. Loving relational attachments are at the base of human maturation and transformation into the likeness of Jesus Christ. This workshop will link these insights with how God has designed us to grow in and thrive by love, joy, peace, resiliency, secure group and personal identity, emotional/social intelligence and then apply them practically to a renewed model of Christ-like leadership. These tools will last a lifetime!

CROSS-CULTURAL KINGDOM IMPACT ► David Wesley

This workshop will address:

- 1) Following Jesus: The Spiritual Nature of Missions.
- 2) Healthy patterns for crossing cultural/ethnic or other barriers in missions.
- 3) Holistic mission to 'others' who are separated from a Gospel witness and to 'others' who are marginalized due to financial crisis, etc.

We encourage you to attend the seminar and the full conference. However, we do have flexible options to work with your schedule.
